

Bangle Size Guide

INSTRUCTIONS:

1. Print this page, make sure your printer is set to print at 100%
2. Cut the preferred size (Medium or Large) along the solid lines. You will have a strip.
3. Connect Side 'A' over to the dotted line of Side 'B' as to make a circle or ring. Tape at the connection to bond the strip together.
4. Put the ring through your wrist to see how the bangle will fit you. This strip will also show you the thickness of the bangle when it is worn.
